**Complimentary Periodical Maintenance**

1 year / 1 500 hours

**PC210-10MO**

**Extended to 3 years / 5 000 hours with free power train warranty\***

## Extended KomCare 3 years / 5 000 hours with free power train warranty\*

When you own and operate Komatsu equipment, you get more than a high-tech, hardworking machine, you also get a strong commitment from Komatsu to deliver a world class ownership experience. For this reason, whether your new Komatsu PC210-10MO is leased or purchased, we provide a KomCare Complimentary Periodical Maintenance servicing for the first year or 1 500 hours (whichever occurs first) and now you can extend this to **3 years / 5 000 hours\* with free power train warranty** for the entire maintenance agreement.

### Lower your cost of ownership

With extended KomCare Periodical Maintenance 3 years / 5 000 hours with free power train warranty\*, the cost to own and operate your equipment is reduced.

### Protect the value of your equipment

With Genuine Komatsu parts and complete OEM maintenance history you are protecting the future value of your investment.

### Single supplier end-to-end solution

Our factory trained and certified technicians will maintain your equipment as per Komatsu Operation and Maintenance Manual Standards.

**Free extended power train warranty 3 years / 5 000 hours\***  
Less cost, more productivity
